

# PARTY AT THE PARKLANDS!

## TURN YOUR CHILD'S BIRTHDAY PARTY INTO AN ADVENTURE.

Looking for a place to host a children's birthday party? Ask about rental of one of our state-of-the-art classrooms in the PNC Achievement Center, where you're only steps away from getting wet in our Playground and Sprayground, a family favorite. And, if you're up for an adventure, we make your child's party truly unique by including a hike or creek play experience with one of our Interpretive Rangers!

### PARTIES INCLUDE:

- Party Room in the PNC Achievement Center  
*Brand new, comfortable facility accommodating 30 guests; other venues available for larger parties*
- Convenient location next to the Marshall Playground and Sprayground
- Party host  
*Parklands Interpretive Rangers help coordinate your party*
- Option to discover the outdoors through a fun learning experience  
*See options below or call for details.*

### PARTY THEMES:

#### **Creek Exploration:**

Get ready to get your feet wet! We provide the nets and help identify the many critters that call Floyds Fork home.

#### **Trail Hike:**

Our trained Interpretive Staff leads your group on an age-appropriate expedition on one of our many trails, exploring the dynamic habitat of our park.

#### **Fishing Party:**

Experienced or not, this adventure promises fun for all, as our trained Interpretive Staff guides your group through all you need to know about fishing from baits to sinkers.

#### **Wildflowers & Butterflies:**

Excite your senses as we explore our gardens in search of butterflies and other pollinators. This birthday adventure works best when our pollinator garden is in bloom, between April & September.

#### **Nature Detectives:**

Unravel some of the mysteries of our natural landscape as we investigate questions such as: Where are the mammoths? Why the long face Mr. Heron? What lives in the wetland?

#### **Inside Activities:**

Don't let the chance of inclement weather get you down; we have loads of activities to keep your party guests entertained indoors if it is stormy on the day of your party. Indoor topic options include: wildlife of The Parklands, bug explorers, rocks & fossils, or flower investigators.

### START PLANNING YOUR PARTY TODAY!

Discounted pricing available for Parklands Members.
