## WEEKLY PROGRAMMING

*Wednesday Wonders* are interactive programs designed to spark the curiosity of young children. Come prepared for the weather as we go outside during all seasons.

**Wednesday Wonders - 10:30-11:30 a.m.\***  
**Ben Stout House, Turkey Run Park**

The morning session is for elementary aged learners (recommended ages 5-9).

**Wee Wednesday Wonders - 2:30-3:30 p.m.\***  
**PNC Achievement Center, Beckley Creek Park**  
The afternoon session is for Pre-K and Kindergarten learners (recommended ages 2-5).

### Wednesday Wonders Schedule

- May 1 - What makes a healthy forest?
- May 8 - What are wood lice?
- May 15 - What did dinosaurs eat?
- May 22 - What about monarchs?
- May 29 - What about parasites?
- June 5 - How do fish breathe?
- June 12 - What do you do if you get lost in the woods?
- June 19 - Who used to live here?
- June 26 - Why do fireflies glow?
- July 3 - NO CLASS (Independence Day)
- July 10 - Why are all bees black & yellow?
- July 17 - What makes a healthy stream?
